Sandrock and Millard, practical plumbers and gasfitters, have opened a shop in Dick Mills' old stand South Carson St., and propose to do all work in their line at prices so low that you don't have to mortgage your property to pay them. Stoves and ranges and all kinds of tinware on hand, at very reasonable rates. Razors and scissors sharpened. J31tf

ADVICE TO MOTHERS.—Mrs. Winslow's Soothing Syrup should always be used for children teething. It soothes the child, softens the gums, allays the pain, cures wind colic and is the best remedy for diarrhoea. Twenty five cents a bottle.

Diseases of woman a specialty. m12 Dr. Fox.
Try the Hamburg Oil—the latest remedy. City Drug Store. J27

Dr. Fox treats private, chronic and nervous diseases of men, nervous debility, impotence, stricture and all other weakness of manhood.

Parties wishing Rubicon Springs water in quantities to suit should send direct to the springs. Add Mrs. Vade Clark, Rubicon, Springs Via McKinney's, Lake Tahoe. J30

When going to the Post Office step into the City Drug Store and procure a box of WRISLEY'S fine Toilet Soap at cost. J10

ALL SORTS.

Church services as usual to-day. Yesterday was a scorcher from post to finish.

J. P. Woodbury Superintendent of the Morgan was in the city yesterday.

It is a cold day now when some new gold strike is not made in Nevada.

George McLoughlin and family returned from Lake Tahoe last evening.

There will be two lively attractions near Carson to-day. Pine Nut and Steamboat.

The ladies are beginning to complain of the insinuating qualities of the tickle grass.

Two loads of anxious miners left for Pinet last night so as to be on hand before the rush.

Guy Stephens, a well known miner, died Friday at the residence of his brother on the Geiger grade.

It is claimed that the twelve sacks of ore brought from Pine Nut yesterday were worth \$3,000.

There is very water the river at present. Arthur Morris says the wood drive soaked it all up.

Days like these in California would result in sultry nights, but Nevada climate isn't built that way.

Merchants report times very tight in Carson at present. It is always thus at this season of the year.

The axle cutter finds it hard to get out of town as business keeps coming in. He advertised in the APPEAL.

George Honeycut, of Pinet is so sure he has a good thing that he has refused to sell the claim he owns with Bob Bigler.

Just a few more days and the game law will be lifted, whereupon the crack shot will make considerable fuss and feathers.

The Reno Electric Light and Sewer Company has levied an assessment of 50cents per share, delinquent September 1st.

From the burning Harrison has received from the silver papers, he will die unless Elaine consents to have some of his healthy skin grafted on to him.

The telephone line from Tallac to Glenbrook is nearing completion. This makes connection by telephone with Carson and thus with the telegraphic world.

George Shirwell, a Comstock miner who cleaned up enough in stocks to make a four-months' visit to the old folks in England, has returned, ready to get into the swim again.

It is claimed that when Jones, the late editor of the New York Times decided to expose the falsity of the Tweed ring, he was offered five million dollars to keep quiet, and refused.

The people of the East are getting excited over "a brilliant colored Greek scholar." A brilliant Greek scholar is of precious little account in this day and generation no matter what color he is.

The White Pine News has information that Ex-Governor Jewett Adams is buying up all the beef steers he can get, paying from \$20 to \$22 per head, which is quite an advance over the prices for some years past.

It is said that two large streams of water are flowing into the Salton Sea from the Gulf of California via New River. This makes two sources of supply for the inland sea, and goes far to establish the claim that the lake will be permanent.

W. W. Morrow is named as a probable successor of Judge Hoffman. Harrison wants him because Morrow betrayed his Pacific Coast constituents and voted for an anti-silver Speaker. Harrison has several of this ilk to reward.

A large number of people will visit Pine Nut to-day, and the public will soon know what is in Zern's mine, as it will be opened to inspection. A large party will go from Virginia and see if the new gold field is really a fact and not a "fake."

George Vonderhyde is making a double buggy harness for Bud Bliss that is equal to any eastern production. The leather is eastern tanned but Vonderhyde does the rest. Every strap and buckle is in the right place and finished off to a nicety.

It is stated that gold and silver have been found in paying quantities in the Kiowa and Comanche country, Indian Territory. Some prospectors asked permission of the Interior Department to negotiate with the Indians for the privilege of working the mines, and permission was refused.

The papers of the State are pretty generally jumping onto Dick Brown who has been appointed Superintendent of the School of Industrial Arts of the State University. He is pronounced incompetent. In that case the next thing is to find out what relative succeeded in getting him there.

The Pioche Record says that M. J. Stewart who has just arrived from the lower end of Idaho county, reports that grasshoppers have almost entirely devastated everything in that section. On the Har is and Crosby ranches on the Muddy they have destroyed everything. The hoppers appear to be traveling northward.—Gazette.

M. McMartin, who works at the Dunlop mine in Jumbo, brought in a wild cat this morning, which he shot during the night while the animal was nosing around McMartin's chicken coop. The cat weighed thirty pounds and is a monster. During the week McMartin has lost thirty chickens and two turkeys, carried off by the varmints which swarm the hills near Jumbo in droves.—Chronicle.

A dispatch to the St. Louis Globe-Democrat says Editor De Young of the San Francisco Chronicle and wife complained that they had been robbed in a Pullman car near Ogden, he of \$100 and she of a gold watch. This created much excitement among the train men, which was abated by Mr. De Young finding his money in his shirt sleeve, and the lady discovering that her watch was in the bottom of her pocket.

The Southern Pacific company is having some monster passenger locomotives constructed to use on the through overland trains between Oakland pier and Truckee on the Central Pacific road. They will be of the ten wheel compound pressure type, with six drivers, five feet and three quarters in diameter. They will carry 170 pounds of steam at high pressure and the compound cylinder will have a twenty four inch stroke.

An explosion occurred in the metal leaf foundry of Rosenfeld & Co., New York, yesterday. The loss of lives amounts to 60 or 70 most of them being shop girls. A number of holes were immediately knocked in the walls of tumbled down buildings and many slightly injured people crawled out of their suffocating prisons. Fires broke out in different parts of the shattered piles but were quickly extinguished by the firemen. A steam heating boiler in a defective condition was the cause.

The case of Fitz-John Porter is again being discussed in military circles. His restoration to his old rank by Congress, was largely due to Grant's letter expressing the belief that there was no serious battle August 29, 1862, when Porter failed to execute the order given him to advance; but it is now said that the official records, being published by the War Department, reveal that there was, after all, heavy fighting on that day, and that no less than ten thousand men were killed.

Married.

Percy S. King, Principle of the Empire School was married in Napa, California, to Miss Lizzie Klam, August 18. The young lady took the advice "don't be a clam."

The Rayercraft Brothers have inspected Zern's mine at Pine Nut and say that to-day those who see it will have more faith than ever in the richness of the new camp.

Chester Sabins is reported to be very low.

More Gold Found.

A prospector named Matthew Shidell came into Wells, Humboldt county, this State, last Thursday evening with seven pounds of decomposed quartz that is literally bespangled with gold. He is very reticent as to the location, but he is known to have been prospecting in the very rugged mountains at the head waters of the Humboldt, Drucan and Salmon rivers.

According to his description as to the extent and richness of the development, which is beyond belief, gold will soon be as common as pig iron. His trail is being followed by a score of fortune hunters, with the assistance of Indians. Placer gold has been taken out in good paying quantities in the Brucan country for years past.

Zern's Gold.

C. E. Holbrook states that last Tuesday Zern asked him to get down in one of the holes from which he was taking the rich rock. Mr. Holbrook did so, and picked up a handful of black magnetite full of pure gold. Zern kept on digging and he still picked up more of the treasure. Zern there and then filled up a pickle jar with these rich specimens—a most pure gold—and also had two sacks of which he estimated each at \$1,500. It is reported that a quantity of very rich rock was taken out of Abe Cohn's mine this week.—Gen. a Courier.

Sickness Among Children.

Especially infants, is prevalent more or less at all times, but is largely avoided by giving proper nourishment and wholesome food. The most successful and reliable of all is the Gail Borden "Eagle Brand Condensed Milk. Your grocer and druggist keep it. 2t

False Economy

Is practiced by many people, who buy inferior articles of food because cheaper than standard goods. Surely infants are entitled to the best food obtainable. It is a fact that the Gail Borden "Eagle Brand Condensed Milk is the best infant food. Your grocer and druggist keep it. 2t

Hit 'Em Again.

A certain Duchess is being complimented throughout England because she is nursing her own baby. In the present condition of the English nobility it is a lucky thing for a mother to know whose baby she is suckling—on the father's side.—Bee.
